

# BUILDING A LEGACY FOR TRUTH FOR THE NEXT GENERATION

## PARTICIPATE IN THE CHRISTENDOM COLLEGE LEGACY CHALLENGE

For 45 years, Christendom College has never wavered in its total commitment to the Truth. Through participating in the Legacy Challenge, you can help build a lasting legacy for future generations while having an immediate impact on students today.

- 1. Consider what impact you intend your gift in your will or estate to achieve.** What most inspires you about Christendom College? Like hundreds of others, you can include the College in your will or trust, a life-income plan such as a charitable gift annuity, designating the College as the beneficiary of a life insurance or retirement plan, or other special gift plans.
- 2. Share the news of your life-long commitment.** By communicating your legacy wishes to Christendom College on the back of this form, you increase the impact of your gift by qualifying for the Christendom College Legacy Challenge.
- 3. Make an impact on our students today.** The Christendom Legacy Challenge Fund will put your legacy plans to work today by donating 10% of your legacy gift's value—up to \$25,000—in matching dollars to support financial aid for students today.\*

By participating in the Christendom College Legacy Challenge, you are ensuring the PRESENT and FUTURE of Christendom College and joining hundreds of others in educating students in the truth, with zero federal funding, in this generation and the next.

\*To qualify for matching funds, the estimated value section of the form must be completed. If you wish to keep the amount of your estate gift private, the Fund will still donate \$1,000 today to student financial aid.
